## Families and Neighbors SUPPORT Island Rec because...

FANS was formed to fill gaps left by Island Rec's public funding, including additional scholarships and support for new and existing programs like Drop-in Sports, Music on the Lawn, the Father/Daughter dance, and the Trails Committee.

But that's not all... through our Learn to Swim and FANS Fund scholarships, donations to FANS truly makes a difference for your neighbors by keeping costs within reach for island families whose youngsters can take part in summer camps and activities such as: Camp Eagle Rock, Skateboard camp, Jump Rope camp, Circus camp, and the popular Dragonfly Preschool Camp.

We hope you'll join us to help Island Rec's diverse programming grow and continue to include all of our community. Become a new FANS Club member or renew your annual membership today!

*"Our favorite thing about Island Rec is the parks. Our pre-schoolers LOVE Linde Park and the paved path around it. We love practicing riding bikes along the path."  
- a grateful Island Family*

*The mission of Families and Neighbors Support Island Rec (FANS) is to enhance park and recreation facilities and programs for San Juan Island residents by promoting goodwill and broadening the funding base of San Juan Island Park and Recreation District (Island Rec).*

Thank you! FANS is a registered 501(c)(3) organization. Your contribution is tax deductible to the full extent of the law.
