Let's do something together

Six years ago, Families and Neighbors Support Island Rec (FANS) came together to help our Island Rec reach more of our community by:

- providing FANS Fund and Learn to Swim scholarships (talk with Island Rec's staff for details!)
- supporting community programs like Music on the Lawn and starting Movies in the Park
- offsetting the cost of programs like the Father-Daughter dance and Mother-Son Scavenger Hunt!

As you have helped us grow, we have been able to help with many of the activities Island Rec brings to our community! Its broad programming includes classes for kids, adults and seniors. Island Rec maintains a number of parks, including the new John O. Linde Community Park and the Lafarge Open Space. It also brings the community together with events such as the Children's Festival and Music on the Lawn. FANS is committed to raising \$12,000 for Island Rec this year and we need your help. Please check out our website and Facebook page for more details:

We hope you'll show your support by becoming a new FANS Club member or renewing your annual membership today!

The mission of Families and Neighbors Support Island Rec (FANS) is to enhance park and recreation facilities and programs for San Juan Island residents by promoting goodwill and broadening the funding base of San Juan Island Park and Recreation District (Island Rec).

Thank you! FANS is a registered 501 (c)(3) organization. Your contribution is tax deductible to the full extent of the law.
