Community Support Makes a Difference!

For seven years now, community donations have made a difference in the lives of islanders.

With your contribution in 2018, FANS will again support many of Island Rec's popular programs:

- FANS Fund and Learn to Swim Scholarships
- Special events like the Father Daughter Dance, Teen Camp and the 8.8k Run
- Community events such as Music on the Lawn
- Doggie Waste Bags that you see at the parks managed by Island Rec. Yup... those come from FANS!
- And even more! Check out islandrectfans.org for the complete list of all we support in 2018

"My son (age 10) completed Float School last summer so he could enroll in sailing camp. He wasn't a strong swimmer at the time so we were unsure if he would make it through. The confidence he gained from the swim class was inspiring! He passed the float test within days. We were amazed. Thank you!" -Kim

For example, with a donation of just \$50 Island Rec can offer TWO Learn to Swim scholarships. With a donation of \$100, a family can enroll two children in the STAR after school program. We hope you'll show your support by becoming a new FANS Club member or renewing your annual membership today!

The mission of Families and Neighbors Support Island Rec (FANS) is to enhance park and recreation facilities and programs for San Juan Island residents by promoting goodwill and broadening the funding base of San Juan Island Park and Recreation District (Island Rec).

"The instructors are amazing with kids, the lessons are affordable for parents and it's a great activity for young kids & parents through the winter. Due to this early start and a positive relationship with the water, my daughter is now thriving on the swim team. Thanks to Island Rec for this affordable option for island kids!" -Alexis

Thank you! FANS is a registered 501 (c)(3) organization. Your contribution is tax deductible to the full extent of the law.
